- with screw terminals
- wall socket with integrated safety socket according to %HOJLDQ)UHQFKV\ VWHP
- connecting terminals up to 10 mm<sup>2</sup>  
a UH DG \ ZLUHG
- for Combo-wall socket 32A the safety socket is protected by fuse (10A slow)
- housing material: PA6
- contacts: brass
  - to order nickel-plated contacts please add a "v" e.g. 9215-6fv
- top, 2x bottom or rear entry
- incl. threaded cable grommet

IP44 splashproof
