

Measuring instruments

- multidetector maps electrical wiring – no more drilled wires
- laser range finder calculates distance, area and room volume
- non-contact voltage detector for AC voltage up to 1 000 V

detection: wood, metal, AC wiring = signalization: optical + acustic = dimensions: 28 × 72 × 155 mm = power source: 1× 9 V (included) = packaging: 1 pc, blister
