

LED TRACK LIGHTS

V-TAC's extensive range of modern LED track lights are the perfect ecological alternative to old, inefficient Halogen lights. Delivering high performance, excellent durability, and remarkable light output to serve the general Commercial and Retail market.

Key Features

- Saves 80% energy
- No Ultraviolet or Infrared Rays
- Totally flexible, compact & adjustable design
- No Lead or mercury content hence environment-friendly
- Provides uniform radiance & enhances the appeal of a retail environment
- Enhances measurable levels of performance as compared to older versions of high wattage Halogen

Application

Perfect choice for exhibition stands, hotels, bars, commercial & residential lighting.
