

Non-insulated sleeve connector with screw, tinned

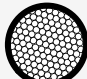

10mm², (d1=4,5mm, L=30mm)

 Material of connecting element: Tinned copper

- **Material conductor:** Aluminium/copper
- **Surface protection:** Tinned
- **With insulation:** No
- **Voltage level:** Other
- **Nominal current:** 40 A
- **Number of screws:** 2
- **Degree of protection (IP):** IP00
