

Non-insulated sleeve connector with screw, tinned

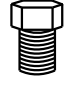

240mm², (d1=22mm, L=64.7mm)

 Material of connecting element: Tinned copper

- | | | | |
|------------------------------|------------------|-------------------------------------|-------|
| • Material conductor: | Aluminium/copper | • Nominal current: | 350 A |
| • Surface protection: | Tinned | • Number of screws: | 4 |
| • With insulation: | No | • Degree of protection (IP): | IP00 |
| • Voltage level: | Other | | |

120
